

theosophy and the problems of society

An exploration of the role of the ageless wisdom and the Theosophical Society in seeking the long-term transformation of human society.

A presentation by **Vic Hao Chin, Jr**

Vicente is the President of the Theosophical Society in the Philippines, and is also the chairman of several organisations devoted to education, community development, youth and ecology.

Vicente is the author of several books and conducts Self Transformation seminars internationally to government agencies and business corporations.

Tuesday 15 September, 7:00 pm

333 Princess Street

Dunedin
