LAUNCH OF PERSEPHONE MAGAZINE

Persephone - NZ Pagan and Wiccan Magazine

It is with great pleasure that I would like to announce the upcoming release of Persephone - NZ Pagan and Wiccan Magazine, the first issue due to be released on Samhain April 30th 2008. It is aimed at 17-35 yr olds in particular, and is created by young people (I myself am 22) for other young people interested in Paganism and Wicca, as I have recognised that there is a great need for a means for the young Pagan and Wiccan community to network and communicate. It will be released quarterly in time with the sabbats, and is being released on Samhain as this is Celtic and Pagan New Year. For more information, suggestions, or questions, please come to the presentation on Persephone, on the first Sunday of April at 12pm, or email me at: persephonenz@gmail.com
